SICK DRUGGISTS What they do when THEY have Kidney Disease.

Druggists know that "kidney trouble" is inflammation of the kidneys, and that if it doesn't yield promptly, it becomes chronic, which the books declare to be incurable. Hence they don't lose much time with so-called kidney medicines.

W. H. Bell, the leading druggist of Live Oak, Fla., went to the Atlanta specialist, Dr. W. M. Durham, to treat his kidney disease. He had it in such a serious form that he wanted the best. He also went to Dr. C. Drew, the leading physician of Jacksonville, Fla. All efforts failed, and the dropsical stage began.

He then sent to California for the Fulton treatment. The seventh month thereafter he wrote as follows: "I am doing finely, the swelling is all out, and I am 100 per cent better." "Mrs. R. W. Price of this city, also, 'had serious kidney disease, and could not turn over in bed. I told her, 'about the treatment she took, and 'and is now doing her own work.' 'again, and says she is well. Another lady here had kidney disease, 'and her husband could not get out 'much. I put her on the treatment, 'and she is well, too."

How can people doubt the curability of chronic kidney disease in view of the constant stream of testimony like the above? For inflammation of the kidneys, whether called "kidney trouble," Nephritis or Bright's Disease, get Fulton's renal Compound.

Druggists sell it across the continent for it. It's this strong pointer for the uninitiated. Literature mailed free. John J. Fulton Co., San Francisco, Cal. Owens & Minor Drug Co. are our sole local agents. Ask for Bimonthly Bulletin of late recoveries.

Frank Dashiell Epps are in charge of the Fulton treatment. **Meet at Chester to-morrow.** The Woman's Missionary Union of East Chester, Pa., will meet Thursday, May 27, at 4 P. M. in the Presbyterian Church at Chester, Va. All ladies wishing to attend the meeting should take the Petersburg car leaving Manchester at 3 P. M.
